RUMUOLUMENI, PMB 5047
PORT HARCOURT**

**OFFICE OF THE REGISTRAR
Release of 2024/2025 Admission List (NEW DEPARTMENTS)
(UTME AND DE -BATCH E)**

Following the concluded screening exercise and application for Supplementary admission into the **new Departments** in the University for the 2024/2025 exercise, I am directed to release the list of successful candidates who applied for admission and passed through the processes for admission into the various Departments and Faculties.

Consequently, all successful candidates whose names appeared on this Admission **list batch 5 (see pg. 3)** should visit the university website and other information pages of the university for the 'Clearance Requirements/Procedures.

FURTHER ACTION:

1. Login to their JAMB Central Admission Processing System (CAPS) and accept your admission.
2. Print your admission letter and result slip (colored only) after accepting the admission, as they will need this during clearance and registration in the University.
3. Payment for Acceptance Fees has been activated on Wednesday 25th September 2024.
4. We will continue to update the admission list according to the admission categories and as we receive updates and approval from Joint Admissions and Matriculations Board (JAMB) for recommended candidates.
5. Admissions into the newly approved programmes are currently ongoing. Candidates who have not been admitted may wish to apply and comply with the admission requirements as found on the following subheading.

HOW TO CHECK ADMISSION STATUS ON JAMB CAPS

- Visit: <http://www.jamb.org.ng/efacility/login> with your registered email address and password to access your dashboard.
- After you have logged in, click on check admission status.
- Input your JAMB registration number and click on Access My CAPS.
- You will be redirected to a new page, click on admission status
- Confirm if you have been recommended, offered admission or not.

Note: If you are using a phone, you may not see the option to check Admission Status on CAPS, most phone users may only see the welcome message. The caps page shows only welcome because it requires you to use desktop mode to view the complete page. This is why the chrome browser is recommended if you are using a
